GoArmyEd The New Way to Get TA

"The Virtual Gateway to Army Tuition Assistance...
Online, Anytime!"

Effective 1 April 06 **GoArmyEd** will be the Army's new web-based system for all Soldiers to request Tuition Assistance (TA). Soldiers will request TA 24/7 online via the web www.GoArmyEd.com. There will be no paper-based tuition assistance forms. Soldiers will have equal access to TA regardless of geographical location. All TA course enrollment requests must be processed through **GoArmyEd** for courses starting 1 May 06 or later.

Soldiers will be required to get a password. A **GoArmyEd** login will be created automatically for Soldiers who have used TA since 1 Oct 04. Soldiers will be notified by email about how to get started in **GoArmyEd**. New Soldiers, or Soldiers who did not receive an email, can create a password by logging into www.GoArmyEd.com and clicking the "New Users" button to open an account on the portal. Soldiers who already have access to eArmyU will have access automatically to **GoArmyEd** and will not need to request additional passwords.

Soldiers can select from many colleges and universities and from over 1,000 available degree plans listed in the **GoArmyEd** portal. Soldiers choosing schools which do not have courses loaded in **GoArmyEd** may have to pay TA up-front and receive reimbursement directly from the Army after receiving a passing grade.

For more information on **GoArmyEd**, visit the Education Center, Monday-Friday between the hours of 0730-1630. Also, an Education Counselor will be available to assist you in the Learning Resource Center (LRC) or the Computer Lab, Monday-Friday during the following hours:
